Wartburg College, Waverly, Iowa, Saturday, October 4, 1952

Number 4

Third Series Of Selectives Due In Dec.

Third series of the selective service college qualification tests will be administered Thursday, Dec. 4, 1952, and Thursday, April 23, 1953, according to the Iowa state selective service director. Wartburg college is one of 23 Iowa schools at which the test will be given.

Application blanks for either date will be available at all local draft boards after Oct. 6. They cannot be obtained in any other case. Applications for the Dec. 4 test will be postmarked not later than Nov. 1.

Students Must Be Full-Time
To be eligible to take the test, an applicant must (1) intend to request deferment as a student, (2) be continuously pursuing a full-time course of instruction, (3) must not previously have taken the test.

Col. Ralph Landwehr, state select service director, emphasized this week that increasing mass mailings of demands make it important that draft-eligible students take the test as soon as possible.

Present criticism for deferment as an undergraduate is either a satisfactory test score of 70 or superior academic rank, upper one-half of male freshmen class, upper two-thirds of male sophomore class, or three-fourths of male junior class.

Not Necessarily Exempt
Col. Landwehr pointed out that a satisfactory test score does not necessarily constitute an exemption from military service. The test score does, however, constitute additional evidence to be considered in connection with a selective request.

According to national selective service headquarters, the number of students having taken the test will swell to over one-half million by the completion of the third series. Over 400,000 have already taken the test. Students currently deferred on basis of test scores or class standing number about 150,000.

Homecoming Queen To Be Picked Thurs.; 3 Seniors, 2 Juniors Comprise Court

Wera Rudenschneider, sophomore, will be chosen next week from the 1952 Homecoming queen nominees. Bernice Hilmer, Gretchen Krieger, Jack Heinhardt and Betty von Fischer, who were nominated by ballot in campus Tuesday.

Although the queen will be crowned next Thursday, her court is not yet known until she is formally introduced by Jack Heinhardt, club president, at Kastle Kapers.

Wera Has Homecoming Job
Wera Rudenschneider, sophomore, also senior from Cedar Falls, besides being a queen candidate, fills the important job of registration chairman for the Homecoming weekend.

Even interest in her future profession—she's a four-year elementary teacher—is indicated by her service as secretary of Delta Delta Gamma, which is also a member of Pi Sigma, WAA and Pep club.

Her engagement to Dean Goble, 1952, at the Wartburg Kastle Kapers stationed at Fort Ord, Calif., was recently announced.

Iowa College Heads Meet Here Tuesday

Meeting here last Tuesday, the Association of Iowa College Presidents discussed the topic "Teacher Education at Our Liberal Arts Colleges."

Dr. Russell Cole, president of Cornell college, and Dr. A. E. Hoehner, dean of faculty here, were on the program. Wartburg's president, Dr. C. H. Becker, is vice-president of the group, which holds regular meetings twice a year.

'Prospects, Enthusiasm Good,' Says Hagen As 40-Piece Orchestra Begins Rehearsals

"With a large number of volunteers, reporting and enthusiasm running high, prospects for a highly successful season for the newly-formed college-community orchestra look good," stated Ernest Hagen, director of instrumental music.

Plans are being made for the initial appearance of the 40-piece orchestra at the annual Christmas concert in conjunction with the three campus choirs. College membership includes Eugene Lueder, freshman; Orin Grebe, junior; Miss Ann Stahl, of the English department; and Marjorie Goss, senior, in violin. Students playing include Joseph Siple, freshman, and Elnice Landwehr, senior. Orchestral membership is made up of Iowa people while student string bass players are Roger Bulke, senior, and Josephine Riccio, freshman.

Woodwinds Listed
Clarinets played include clintlin Everett, sophomore, and Wilbert Dreckschlag, junior, and Denise Morrell, freshman. Flute players are George Lutz, senior; Conrad Griesenick, sophomore; Louise Hillman, sophomore, and Carol Lee Berna, freshman. Completing the woodwind roster are bassoonists Keith Beaver, senior,

Homecoming Tickets Available Thursday

Homecoming banquet tickets will go on sale to seniors and juniors Thursday, Oct. 9, in Luther hall, according to George Hanausa, junior and banquet chairman.

Tickets will be made available to the rest of the student body Friday, Oct. 10, in Luther hall, and from Gene Giesecke, senior.

"Be sure to get a ticket or two and help make this a successful affair," stated Hanausa.

Ernest personnel includes trumpeters James Metke, sophomore, Merlyn Borchers, junior, and Roger Helm, freshman. Trombonists are Ken Vetter and Ery Strong, juniors, and Edlen Reiser, senior.

Four On French Horn
French horn duties will be shared by Ed Carl, senior, Esther Oetting, freshman, and Henry Waltmans and Bill Moeller, sophomores. Percussion players include Roger Wierme, freshman, on snare drum; Jeanette Friebe, staff member, on bass drum; Carol Lahn, freshman, tympanist; and Lea Beck, freshman, on the cymbals.

Wendell Herrmann, former Wartburgian now at the State University of Iowa, will return to campus to play in the Christmas concert. Approximately 10 string players from Waverly complete the membership.

"Chamber orchestras of this type are springing up all over the United States, and we in the Waverly community and in Wartburg hope to establish it here as a permanent college-community fixture, thereby fulfilling one of the needs in the community's music life," stated Hagen.

By George Hanausa
"With the convention of the American Lutheran church meeting on our campus, beginning Oct. 9, and the ALC Board of Trustees meeting here Oct. 8, we are hoping for an okay of our present women's dormitory plans.

"Once they are approved, they will be revised by our architect if necessary and submitted to contractors for bids.

We must get started on our new dormitory by early spring."

That's the opinion expressed by Pres. C. H. Becker on the eve of the first ALC convention to be held here since October, 1934. Running from Oct. 9-18 this year, the 12th biennial session will decide whether or not to give the "go" sign to provide the college with a new dormitory and roomy mess hall.

250 Representatives Due
About 250 delegates, advisers and officials from Canada, India, New Guinea and Mexico as well as from all over the United States will throng the campus during these seven days. Discussions and business transactions will include talk on mergers with other Lutheran bodies, use of the Revised Standard Bible, and the adoption of this new "Service Book and Hymnal."

Merge discussion will center around the configuration of current negotiations with the Evangelical Lutheran Church and the United Evangelical Lutheran Church. Possibly the Lutheran Free church and the Augustana Lutheran church will be urged to join in further plans toward a merger of all four United States of the American Lutheran conference.

May Postpone 3-Way Merge
A move to postpone the planned three-way merger and work for merging the national headquarters council level, or even for total Lutheran unity, is also a possible issue.

Convention will open at 10:30 a.m. Thursday, Oct. 9, with a service of divine worship and a holy communion, the sermon being delivered by Dr. Henry Schulz, ALC president. Build Editor is the theme chosen for daily morning sessions.

Prayers Begin At 8:30
With some exceptions the daily program will consist of matins at 8:30 a.m. and business session and committee meetings from 8 to 11:45 a.m. Devotions will be held from 1:30 to 1:45 p.m. and a convention session from 1:55 to 5 p.m., devotions again at 7 p.m. and further sessions from 8:00 to 9:30 p.m.

Appearing outside of the convention proper will be Dr. Marcus Rieke, ALC youth director and main speaker at the youth rally to be held Sunday, Oct. 12, at 7:30 p.m. At 7:30 Sunday evening, Dr. Donald Heiges, youth director of the student division of the National Lutheran Council, will give the opening prayer on a program of trials to Christian higher education.

In the interim to this speaker, the regular meeting date had to be postponed from Tuesday evening for this month only," explained Ernest Becker, president.

Installation of new members is also on the agenda. All students becoming in mission work are cordially invited, according to Becker.

Graduates' Pictures To Be Shot Oct. 13

National studios of Waterloo will begin taking pictures of seniors and two-year graduates in the lounge of Wartburg hall Monday, Oct. 13. Under a photographic light will take place Oct. 15, 16 and 17, according to Rudy Kober, Wartburg editor.

All students are asked to sign a schedule on the north bulletin board in Luther hall this week. Graduating students are to appear for Oct. 13 and 14.

Missionary Leikauf Will Address MF

The Rev. Leonard Leikauf, who has been active in negro mission work in the Philippines, will speak at the second meeting of Mission Fellowship Friday, Oct. 10, at 7:15 p.m. in the rehearsal room in Old Main.

In order to obtain this speaker, the regular meeting date had to be postponed from Tuesday evening for this month only," explained Ernest Becker, president.

Installation of new members is also on the agenda. All students becoming in mission work are cordially invited, according to Becker.

Kapers Program Set With 15 Skits, Band

Kastle Kapers will officially begin their program on Saturday, Oct. 11, at 7:30 p.m. in the Knights gym. According to the student body president, Kastle Kapers director, the program will consist of 15 skits plus numbers by the Varsity band.

With Bob Vogel, freshman, acting as emcee, the skits will be presented by the Varsity band members, and prizes will be awarded to the top three winners. Winners will be announced at the coming banquet Saturday, Oct. 18.

Also on the Kapers program is the election of a student body president, queen and her court. A bonfire and pep rally will be held on Nov. 1, and immediately after the show.

Tickets for Kastle Kapers will be on sale in the north bulletin board in Luther hall this week. For students, 35 cents for adults.

Knights In Hoop Tiff At Luther Tonight

Jomen Underdogs Norse Need Victory By 3 Touchdowns; After Stunning Loss Injured Vets Back To BV Last Week

By Ken Sterck

Wartburg tangles with the Luther Norsemen tonight at 8 on Nustad field, Decorah, in the first conference battle of the year. The Knights were thoroughly drubbed by Luther in last year's encounter, 34-0, and enter the same tonight as three-touchdown underdogs.

With three lettermen back in playing line after missing the Augsburg games, Johansen's charges will be in their best played condition of the year. LeVerne Beener, guard, and Roy Peterson, center, are ready to go after sitting it out with broken injuries. Hank Sowers, back from the ABC world series in St. Louis, is expected to see action at defensive half.

Hoofed Off Action

Bob Hoff, leftback left tackle, will miss the Luther game and may be out the remainder of the season because of an arm injury received in scrimmages this week. But with Beener back at guard, Ed Steinbrener will shift over to a tackle spot and Ross Mueller will assume the vacancy left by Hoff.

Shuffling his backfield around to allow both of his new fullbacks starting berth, Johansen plans to keep Luffy Schumann at fullback and use Cy Rick at the portable halfback slot. Ed Kittelson will move over to right half, with Ted Friesel remaining at quarterback.

Coaches Work On Errors

Wartburg has had two weeks of practice for the Luther encounter, since Westra left an open spot last week-end by dropping foot ball. During that time Johansen and his coaching efforts have been attempting to iron out some of the obvious deficiencies that showed up in the Knights' 19-13 loss to Augsburg.

Above all, the Wartburg men have been trying to build up reserve strength in the line, with little more than a starting seven at their disposal. Stress has also been placed on timing and ball-handling, both of which were sloppy at Minneapolis.

Next Saturday the Orange and Black forces appear for the first time on native turf, opposing the Peacocks of Upper Iowa.

STARTING OFFENSIVE LINEUPS

★ CARVER LUMBER CO. ★

By Dick Hefte

Co-Editor, Luther Chiefs

Norse riders will be stirring to get back into the wig column tonight when they take on the Wartburg Knights at Decorah.

Last weekend saw Luther downed by a flashy Buena Vista squad, 20-0. This the Norsemen have a 1-2 overall record to date. In the North division of the Iowa conference, Luther has a 0-3 record.

Schenk, Bruenmer Capitains

Leading the Luther squad against the Knights will be co-captains George Schenk and John Bruenmer, who will also be chosen to the All-conference team last fall, plays tackle on both offense and defense. Regarded as one of the best centers in the Iowa conference, Bruenmer will be counted on to open holes for Luther's big fullback, Dave Reque.

Quarterback Hans Peterson will be calling signals in Luther's split-T formation. Peterson hit Albert Reese, angry Norse end.

Tonight's Luther-Wartburg contest will be aired by KWAR at 1:15 o'clock on the P.M. starting at 8 o'clock.

Gus Schvimer, senior, Ted Heinemann, junior, and Erv Rasmussen, freshmen, will handle the play-by-play broadcast, according to Bob Snyder, junior and station manager.

for a TD pass in the loss to BV, the only score that Luther made in the game.

In addition to Reque and Peterson, Luther has a trio of stellar halfbacks. Ed Reque, Don Marquard and Dick Knut, who can run or pass with equal ease. Friesel is the dominant variety of player.

Luther Lacks Linebackers

Luther's new football mentor, Ed Schvimer, may be compelled to use inexperienced freshmen in his line. The loss through graduation, the draft and ineptibilities took many experienced linemen away from the squad.

With three games completed, Luther hasn't satisfied its fans with a decent performance. To night the Norse will be attempting to show fans some good football when they clash with Wartburg.

Regarders Hank Sowers (With ball, Roy Peterson (left) and LeVerne Beener will be back in action tonight.

Last year Luther was Wartburg's Homecoming foe. The impudent Norwegians made it a sad afternoon for the Orange and Black squad by winning all over Wartburg Municipal field for a 34-0 victory. With the memory of that thorough rickety pugger in their minds, many Luther fans tonight at Nustad field in Decorah, filled with an insatiable desire to whip the Norwegians.

Coach Norse Peterson is confident that his backfield, particularly fullback Cy Rick, will perform adequately tonight. A pronounced lack of depth in the line is Johansen's big headache, but Luther's new head coach, Ed Schvimer, has the same problem.

Schumacher

Coach Norse Peterson is confident that his backfield, particularly fullback Cy Rick, will perform adequately tonight. A pronounced lack of depth in the line is Johansen's big headache, but Luther's new head coach, Ed Schvimer, has the same problem.

Powered by Jerry Olson, 200 pounds of fullback gristle, Luther took the 1946 contest, 20-0. Olsen ran for three of the Norse's TD's.

In 1947 Wartburg earned its fourth and most recent win from Luther, 20-0. Like the 1945 Luther-Wartburg game, the 1947 tilt was played on Homecoming day.

Wally Grant, a swift halfback, was in the hero role for Luther in the 1948 game played at Decorah before a large Homecoming crowd. On the opening kickoff of the second half, he rambled 98 yards through the entire Wartburg team for Luther's second and clinching TD. Luther won the game, 19-0.

Norse fans had reason to howl in 1949 when Luther came from behind to stifle the Knights, 13-12, in a game played at Stone Wagon stadium in Waterloo. Luther's quarterback, Sven Hansen, wore the hero garb in the game as he broke away for a 22-yard TD run to knot the count at 12-12 late in the final quarter. Imperceptibly he kicked a perfect placement to furnish his team with a one-point victory margin.

When the two foes met in 1950, both were without a win for the season. Luther defeated the Knights, 20-0, to leave them unprotected custody of the callar in the North division of the Iowa conference.

Sporting plenty of football savvy, the Norwegians won, 34-0, last year, going ahead in the series, five wins to four.

Meyer's Sweeps 3, Leads Pin League

Meyer's Drug continued its winning ways in bowling competition Wednesday night by sweeping three games from Waverly's Meyer's now holds a two-game lead over the rest of the league and has yet to meet defeat.

High single game was rolled by Frank Pieper of the Meyer's Drug five with a 201. High three-game haul went to Ken Throckmold of Top Hat Cleaners with 549. Others hitting in the "300" bracket were Frank Pieper of Meyer's with 531 and Bud Bachheim of Meyer's with 515.

Team honors were also captured by Meyer's with a three game total of 2,520 and single game total of 621.

North Hall Wins Thurs.; Cavaliers Hold IM Lead

In intramural football last Thursday North Hall chalked up its second win by defeating Ottumwa, 27-6. While Grossmann III won over Grossmann I by a score of 12-6, the Cavaliers also lacked the Early Tuesday, 20-6, and the Berls counted the barons, 7-0.

Next Tuesday Grossmann I meets Ottumwa and Grossmann II meets North Hall. Thursday Grossmann II wins North Hall light it out for the league lead, while Grossmann II plays off Ottumwa.

STANDINGS

Grossmann I (Decorah)	3
North Hall (Hamdenburg)	2

WAA Elects Slate At Mon. Meeting

Women's Athletic association elected a slate of officers composed entirely of sophomores at its initial meeting of the year last Monday night in Luther hall. Dora Freyhold was chosen president to replace Vera Stiles, who did not return this fall.

Other officers selected were Dorothy Eide, vice president; Loraine Hillstrom, secretary; and Eugene Hartman, treasurer. Jean Budd will serve as fall sports chairman and Cora Langelos as social chairman. Lorella Lulich was elected to serve as points chairman.

Hins were made to send two letters. Players and coaches to the play-day of Decorah sponsored by the Luther college WAA, Saturday, Oct. 25.

New Choir Record Released Recently On Columbia Label

Wartburg choir's Centennial record, cut by the choir of 1951-52, is now available to the public, according to Dr. Edwin Lischka, music department head and director of the group.

Recording on a long-play (33 1/3) disc, the choir presents seven numbers taken from its regular concert program, including many Christmas songs. The record was manufactured by the Columbia record corporation, New York City.

Selections on side one include "A Joyous Christmas Eve," arranged by Holmstrom, and the Danish song "Christmas Night," arranged by Lischka. Other numbers on this side are Niles and Horton's "I Wonder as I Wander," with James Seitz as tenor soloist, and "Psalms," featuring two solo voices—Lola Burmeister, soprano, and Dexter Christiansen, baritone.

Christiansen's "Lost in the Night" with Burmeister, as soloist begins the second side of the record. Following this is another Christiansen arrangement, "Beau Dieu," featuring Marian Petersen as contralto soloist. Completing the record is the Bohemian song "Te Ye Joyful, Earth and Sky," arranged by Lischka.

Records may be purchased at the Waverly Electric shop and the Cedar book store, Waterloo. Prepaid orders may be sent to "Wartburg Records," Wartburg, Iowa. Cost of the record by mail is \$4, including postage.

Student Teachers To Meet Tuesday

All elementary teachers who will be doing student teaching this fall are to meet at 4:35 p.m. Tuesday, Oct. 7, at Irving school in Waverly, according to Miss Stella Aasted of the education department.

Purpose of the meeting is to acquaint students with the general policies of the student teaching program, and to introduce them to supervising teachers from Irving, Lincoln and St. Paul's schools.

KWAR Receives Grant Singers Complete For Sacred Records Elections Monday

Religious programs headed from KWAR will soon be using new sacred records purchased from a fund of \$100 donated by members of St. John's Lutheran church, Beatrice, Neb., the Rev. John Strenz, pastor.

According to Bob Snyder, station manager, the money was delivered to the college this week by Dr. William Hume, college chaplain, who presided at the Central District Brotherhood convention in Beatrice last week.

Snyder will confer with Warren Schmidt, organ instructor, to select records to be purchased. If there is a balance, it will be used to purchase classical and semidivine and records for musical interludes.

Home Ec Teachers \$300 Given In Project From Iowa Schools For Negro Scholarship On Campus Today

Iowa college and university home economics teachers are on campus today for their fall meeting, studying and discussing methods of better home economics education in Iowa.

Dr. Glenn Hawkes of Iowa State college, Ames, started the all-day session at 9 a.m., heading a panel on family-centered home economics, the theme developed throughout the day.

This noon the teachers, approximately 54 in number, were guests of the home economics department at a buffet luncheon in the recently moved, newly decorated home economics house.

At the close of the meeting, a tea in honor of the guests will be served in the Wartburg hall lounge. Mrs. Mable Lee of the Waverly high school home economics department and Miss Theresa Holt, dean of women at Wartburg, will hostess Miss Hazel May Snyder, home economics head, as hostesses.

Nearly \$300 was collected in last semester's student body project, according to John Kelley, student body president. The fund was to be used in providing a partial scholarship for a negro student on this campus.

Of the \$300, Student Senate decided to give \$100 toward financial assistance to Olga Hamilton, junior, from Tuscaloosa, Ala. The remaining \$200 will be put in a fund for the support of American negro students that may enroll here in the future.

Camera Club Picks Remaining Officers

Vacant offices were filled at the initial meeting of the Camera club last week, according to Marvin Rothfus, junior, president-elect last spring. Ted Ager, junior, was chosen vice-president; Donna Hay, freshman, secretary, and Walter Schulz, sophomore, treasurer.
